Masters of Science in Finance

The Master of Science (MSF) degree is a contemporary and comprehensive programme with a strong focus on financial theory and practice. Unlike a traditional MBA, the MSF focuses exclusively on financial modelling, markets, investment strategies and managerial finance. The MSF is perfectly suited for new entrants into the financial sector or those wanting to advance their careers.

The MSF combines the expertise of Cambridge College Global and Business School Netherlands to deliver a truly international-focused masters degree in finance.

Accreditation

Cambridge College is accredited by the New England Commission of Higher Education (NECHE). The Master of Science in Finance (MSF) is offered through Cambridge College Global in partnership with Business School Netherlands.

NECHE is the regional accreditation agency for colleges and universities in the six New England states: Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont, USA.

Curriculum

Foundational Modules

*Strategic Leadership and Management
Managerial Accounting
Financial Markets*

Core Modules

*Investment Management
International Finance
Managerial Finance
Finance Capstone
Global Currency Management
Insurance and Risk Management
Financial Ethics and Compliance*

Corporate Finance and Statistics may be required as pre-requisite modules if not completed on an undergraduate or honours level

Total Credits: 30

Structure

*The MSF is delivered as an online programme. The total duration of the programme is **16 months**. Each module is 5 weeks in length and there are 8 sessions per year. The programme is designed for students to take one module per 5 week session, which is equivalent to 3 modules in a traditional 15 week semester.*

A Masters of Science in Finance is the 2nd most awarded masters degree in the United States, after an MBA. You have many different career options available, including:

- *Financial Analyst*
- *Stock Trader*
- *Actuary*
- *Investment Advisor*
- *Financial Manager*
- *Portfolio Manager*
- *Insurance Underwriter*
- *Treasury Officer*
- *Bank Examiner*
- *Financial Planner*
- *Hedge Fund Manager*

Admission Requirements

- *Bachelor's degree with a 2.70 GPA or higher credential equivalent as determined by a 3rd party evaluation body*
 - *Official copies of undergraduate and graduate transcripts (if seeking credits)*
- *Motivational essay (1-2 pages) explaining how the MSF will help you achieve your long and short term professional goals*
 - *Current CV/Resume*
- *Interview via phone with the programme chair or another College administrator*
- *A valid TOEFL or IELTS test result if your first language is not English or if you have not completed a higher qualification in English*
